

PROJECT: ALBUQUERQUE

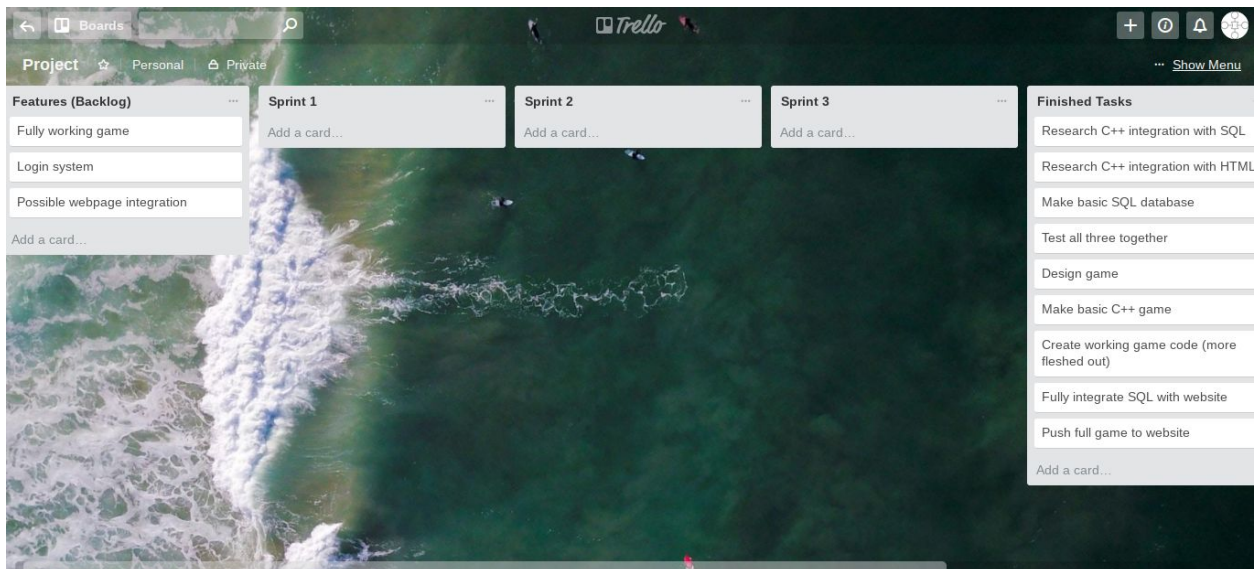

Team Savage - Milestone 7

Team Members:

- Sam Berger
- Kevin Kirk
- Krishna Adettiwar
- Max Hayne
- Hunter Haller

Project Tracker: <https://trello.com/b/K5t18hTo/project>
Prasanna should be invited to view the board.

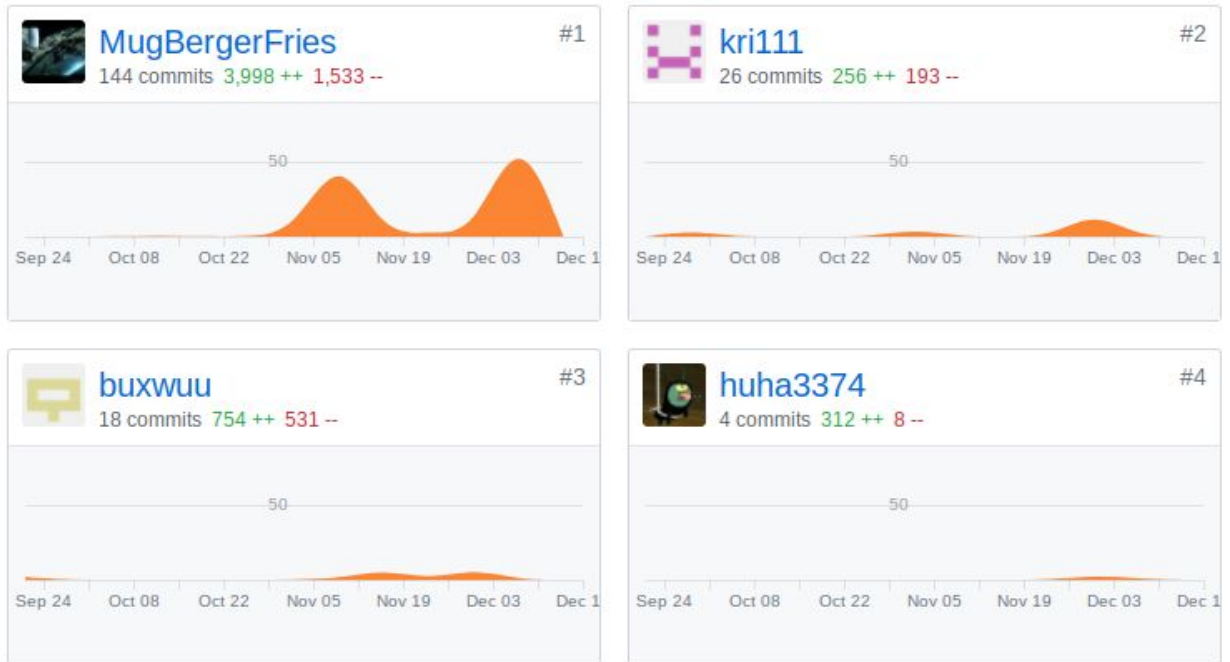

Screenshot of board:

VCS: <https://github.com/buxwuu/Savage>

All project files stored here (as well as this document, obviously).

Contributions on GitHub:

Our repo is mostly organized such that the main files are in the root directory, with some specific milestone requirements placed in separate folders.

Code is run on our AWS server and should be accessible via a web browser when running on said server.
